21 January 2020

Dear Sir or Madam

### **NOTIFICATION OF ESSENTIAL INVESTIGATION WORKS A45 Great Doddington to M1 Junction 15**

I am writing to let you know that we will be carrying out essential carriageway investigation works on the A45, in both directions, between Great Doddington and the M1 Junction 15.

The purpose of our works is to gain vital technical information which will help us to produce an accurate and efficient plan for resurfacing the road. By gathering this information, we can pull together a plan which helps us eliminate cracks, potholes and the deterioration of the road surface. By doing this work now, motorists will benefit from improved road safety and journey reliability in the future.

#### **When will the work take place?**

Work is due to start on **Monday 3 February 2020** and is scheduled for completion by **Friday 21 February**. To minimise inconvenience and disruption to road users, we will work overnight from **Monday to Friday** between **9pm and 5.30am**.

#### **How will the work affect traffic?**

To maintain a safe environment for our workforce and road users, we need to install lane closures while we work. We will make sure that at least one lane remains open in each direction at all times.

We will also need to close entry / exit slip roads, in phases. When entry / exit slip roads are closed, we will put in place fully signed diversion routes which have been agreed with the Local Authority. All diversion routes are available on request.

All carriageways and slip roads will be fully open throughout the daytime.

Please note that all planned works may be subject to change due to weather conditions or unforeseen circumstances.

## Contact us

If you have any questions about this work, or require further diversion routes please contact our **Public Liaison Officer**, Irene Plant, as follows:

- Email: [EMADcomms@kier.co.uk](mailto:EMADcomms@kier.co.uk)
- Telephone: 07768 796542

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'Irene Plant', is positioned above a horizontal blue line. To the left of the signature, there is a vertical black line.
