

PATTISHALL PARISH HALL

HIRE CHARGE POLICY FOR PARISH CLUBS AND GROUPS

Background

With effect from 1 January 2008 discounted hire rates have been offered to parish clubs and groups that nominate one or more representatives to attend Pattishall Hall committee meetings. This is to encourage parish clubs and groups to attend committee meetings and take an active part in contributing to the running of the Hall. Pattishall Hall committee meetings usually take place on the first Thursday of the month at 7.00 pm in the Small Hall at Pattishall Hall.

How It Works

To qualify for the discounted rate the club or group representative must attend one in three committee meetings. If the representative misses three consecutive meetings the discount will be lost from the first of the month in which the third meeting is missed. For example, if a representative misses the January, February and March meetings, the higher parish resident rate will apply from 1 March. The “parish represented clubs/groups rate” will be reinstated from the first of the month in which the representative attends again. For example, having missed January, February and March meetings, but attending again in April, the discounted rate will apply again from 1 April. Parish clubs and groups can have more than one nominated representative so that the responsibility of attending committee meetings is shared. Clubs and groups should note that their Treasurer and representatives who attend committee meetings **MUST** live in Pattishall Parish to qualify for the “parish representative club/group” hire rate.

Nomination Form

To nominate a new Treasurer or new representatives to attend committee meetings please download the Pattishall Parish Hall Nomination Form from this website, complete and pass to the Bookings Officer, Amanda (07988037820). Only those who have completed a nomination form will be recognised by the Hall computer invoicing programme as qualifying for the “parish represented clubs/groups” hire rate.
