23rd December 2021

Dear Sir or Madam,

NOTIFICATION OF ESSENTIAL RESURFACING MAINTENANCE WORKS ON THE A43/A5 TOVE ROUNDABOUT

I am writing to let you know that we will be carrying out essential maintenance work to the A43/A5 Tove roundabout including the approach and departure section to and from the A43/A5 Tove roundabout of the A5, A43 and Towcester Road.

During our comprehensive scheme of work, we will repair and replace damaged drains, resurface the carriageway, renew any damaged kerbs, refresh road markings, install road studs and vegetation clearance works.

Once completed, all road users will benefit from improved road safety and a smoother driving experience.

When will the work take place?

This work is due to start **14 March 2022**, following the completion of the current A43 Northampton Road to Silverstone essential maintenance scheme. However, any delays to the Northampton Road to Silverstone scheme will have a knock-on delay to the start of the Tove roundabout scheme.

To keep our programme for these works as short as possible and to minimise disruption to the local community, we will work:

- Overnight between 8pm and 6am, Monday to Friday for approximately 4 weeks.

Please note that all our planned works are subject to change due to weather conditions or unforeseen circumstances, such as clashes with other emergency work on the diversion routes.

We will be sending out further notification updates nearer the time giving more precise timescales.

How will the work affect traffic?

To maintain a safe environment for our workforce and motorists, we will need to use full carriageway closures in phases while we work. The works phases will close the roundabout in two halves; either closing the A43 southbound together with the A5 west at the roundabout or in the other direction the A43 northbound together with the A5 east at the roundabout.

During all road closures we will put in place fully signed diversion routes which have been agreed with the Local Authority. All carriageways will be open as usual outside of our working hours.

How will the work affect businesses and residents?

We will make sure that access to businesses and residences is maintained wherever possible.

Please be assured that all winter maintenance work i.e. gritting of the roads will be carried out as usual too.

Contact Us

If you have any questions about this work, please contact our dedicated Public Liaison Officer, Leanne Gibson, as follows:

- Email: leanne.gibson@amey.co.uk

Alternatively, you can contact our Highways England Customer Contact Centre as follows:

- Email: info@highwaysengland.co.uk
- Telephone: 0300 123 5000

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

Yours faithfully,

Project Manager
National Highways
